LSA Employee Benefits

Inspired by the courage and determination shown by participants and their families, at the Lifetime Support Authority we're continuously searching for new ways to make a positive difference. We believe our people are our most valuable and important resource. That's why we foster a culture that embraces integrity, flexibility, diversity, inclusion and growth.

We are committed to providing employees with a wide range of benefits including:

Flexibility

We understand the importance of a healthy work/life balance. Our full time and part time employees enjoy hybrid flexible work arrangements, up to two days a week plus accrual of flexi leave.

Training & Development

We are committed to supporting professional growth. Build your skills with structured career pathways, personal and professional development opportunities, formal training, succession planning and support with study leave and financial assistance.

Values, Reward & Recognition

We live by our values every day. We love to recognise those who have gone above and beyond to demonstrate our values through the LSA annual awards.

Leadership Opportunities

We want you to be the best you can be. Our dedicated LSA Leadership Program is designed to help those with leadership ambitions reach their full potential.

Diversity & Inclusion

We value belonging and diversity. We're committed to an inclusive, accessible workplace culture where difference and innovation is encouraged.

Wellbeing

We care about you as a person. Wellbeing is a priority at the LSA. Along with wellbeing rooms, free flu vaccinations, and Mental Health First Aiders, we offer a comprehensive Employee Assistance Program including financial, physical and mental support.

Social Activities

We love to celebrate and connect with others. Staff are encouraged to get involved in a range of fun social events, charity initiatives and activities with the LSA social club.
