

Job & Person Specification

Job Title	Service Planner	Classification	AHP2
Reports to	Manager, Service Planning	Direct Reports	N/A
Directorate	Services	Team	Service Planning

About the LSA

The Lifetime Support Authority (LSA) operates the Lifetime Support Scheme (the scheme) to provide treatment, care and support for people very seriously injured in motor vehicle accidents in South Australia, regardless of fault.

Our Vision	Our ordinary level of service is extraordinary.
Our Purpose	Working collaboratively, we design and fund treatment, care and support services for LSS participants, which enhance the quality of their lives, are person-centred, financially sustainable, innovative and efficient.

Our Values

People & Passion: Our dedicated team offer a valuable set of skills, a like-minded community always working to better the lives of others. Passion fuels our motivation, and with a true sense of purpose and solidarity, we work towards our shared long-term vision. Together we're committed to building authentic relationships with each other, participants, their families and carers.

Trust & Respect: At the LSA we're accountable and lead by example. We understand trust is earned when actions meet words, so our colleagues, participants and their families can always expect honest, open communication and a genuine sense of care. We build mutual respect by treating everyone with dignity and kindness.

Innovation & Growth: Inspired by the courage and determination shown by participants and their families, we're continuously searching for new ways to make a greater difference. Always learning, it's with our innovative mindset and curious nature we ask; if not, why not? Encouraging growth, we empower those around us with knowledge and resources to overcome obstacles and reach new goals, so together we can look to the future with enthusiasm and optimism.

White Ribbon

- The LSA has a position of zero tolerance towards men's violence against women in the workplace and the broader community. In accordance with this, the incumbent must at all times act in a manner that is non-threatening, courteous, and respectful and will comply with any instructions, policies, procedures or guidelines regarding acceptable workplace behaviour.

The LSA actively promotes flexible working arrangements and values diversity in the workplace.

Job Specification

About the Role

The Service Planner is accountable to the Manager, Service Planning for delivering quality coordinated, efficient and evidence based case management services to the participants of the Lifetime Support Scheme (LSS), within the guidelines prescribed to maintain the sustainability of the LSS. The role is also responsible for assisting with clinical supervision and coaching to junior or entry-level Service Planners within the team.

Key Responsibilities

Service Planning

- Assess, coordinate, review and monitor treatment, care and support for participants with serious injuries, taking into account what is necessary and reasonable, and balancing the needs of participants with scheme sustainability, LSS rules and guidelines and current evidence.
- Utilising a person-centred approach, work closely with participants to develop comprehensive, high quality and holistic plans, which respond to and support their unique and changing needs throughout the different phases of their recovery journey.
- Support participants to set meaningful goals that maximise their independence and increase their participation in the community and/or the workplace, and to make informed decisions relating to the provision of services that support their recovery.
- Provide information, advice and support to the participant and their family in a sensitive, open and respectful manner along the continuum of the participant's injury recovery and over their lifetime.
- Consult and collaborate effectively with a range of service providers to facilitate the delivery of timely and appropriate treatment, care and support services to participants that meets their evolving needs and goals.
- Ensure documentation and participant records are accurately maintained in a timely manner and are consistent with LSA policy and practice standards.
- Coordinate and administer service approvals and payments in accordance with agreed needs assessments and plans.
- Provide expert input into, and participate in the delivery of, quality improvement, research and service development programs and projects.
- Identify, recommend and implement continuous improvement initiatives that deliver efficiencies and improve the overall quality of service planning delivery, including scheme evaluation and data collection and preparing written reports with recommendations.
- Provide support to the broader Service directorate in the delivery of project outcomes, strategic initiatives and organisational priorities.
- Contribute to the ongoing development of the practice manual and maintain relevant guidelines and information resources in consultation with LSA staff to promote efficient and informed service delivery.

Leadership

- Provide coaching and direction to junior or entry-level Service Planners to proactively contribute to the achievement of deliverables, in alignment with organisational priorities.
- Maintain a positive attitude, adapt to new situations quickly, role model adaptive behaviours and actively contribute to driving a positive, collaborate culture.

OFFICIAL

OFFICIAL**Alignment with the policies and procedures of the LSA and SA's Public Sector**

- Work in accordance with the LSA's Values, the Code of Ethics for the South Australian Public Sector, and all policies, procedures and legislative requirements.
- Contribute to the promotion and implementation of Public Sector principles and practices, in particular:
 - Equal Opportunity and Work Health & Safety
 - Quality management and participant-oriented service
 - Risk Management: AS/NZS ISO 31000 Risk Management

Key Working Relationships

- All LSA staff
- Participants
- Service providers
- Government agencies including: Department of Treasury and Finance; Department of Health and Wellbeing's hospitals and rehabilitation facilities; Compulsory Third Party Insurance Regulator and the approved insurers.

Special Conditions

- Some out of hours work may be required, including at times over Public Holidays and the Christmas and New Year period.
- Travel to health and community facilities, participants' homes, intrastate/interstate may be required.
- You may be assigned to other positions at the same remuneration level across the organisation.
- Appointment will be subject to a satisfactory criminal history check and DHS Screenings.

Key Selection Criteria

Essential Minimum Requirements

Education / Vocational Qualifications

- A relevant degree, or equivalent qualification, which entitles registration as an allied health professional, such as physiotherapist, occupational therapist, psychologist, social work etc.
- Full registration, if the profession is registrable, with the Australian Health Practitioner Regulation Agency (AHPRA). Where not registerable, eligibility for full membership with the relevant allied health professional association.

Skills, Knowledge & Experience

- A minimum of 2 years' clinical experience as an allied health professional.
- Sound understanding of the principles of person-centred service delivery and how to apply those within a case management environment.
- Demonstrated experience of working with adults and/or children with serious injuries including assessing, coordinating and reviewing their health support needs, using a person-centred approach.
- Demonstrated ability to apply clinical reasoning to inform decisions about appropriate treatment, care and support for people with serious injuries.
- Demonstrated knowledge of brain injury and spinal cord injury for adults and/or children and best practice in assessment and treatment methods in rehabilitation.
- Sound understanding of the needs of individuals with a disability, as well as culturally and linguistically diverse backgrounds, including proven ability to build rapport and communicate effectively.
- Demonstrated ability to exercise initiative, judgment and delegated authority to make informed decisions in selecting appropriate assessment and treatment methods and techniques, scheduling complex tasks and balancing competing priorities to achieve defined outcomes, within tight deadlines.
- Sound interpersonal, written and verbal communication skills that deliver excellent customer service, foster trust, confidence and co-operation with others, provide advice on matters of some complexity and clear and succinct written reports with recommendations.
- Understanding of the disability services sector.
- Demonstrated ability to develop productive working relationships with a range of stakeholders, both internal and external with competing priorities.
- A high degree of professionalism including the ability to deal with sensitive issues with tact and diplomacy and maintain a high level of confidentiality at all times.
- Demonstrated high level of digital literacy skills including the use of OneNote and other Office365 products (MS Excel and MS Word).
- Demonstrated ability to contribute in a team environment, providing support to meet deliverables, challenging team members in a constructive way and adding value in a collaborative environment.
- Demonstrated high level of attention to detail and organisational and time management skills to manage multiple competing priorities under broad direction, within tight deadlines.

Desirable Requirements

Education / Vocational Qualifications

Relevant post-graduate qualifications.

OFFICIAL
