

Applicant Instructions

Applications must be submitted online.

Applicants are required to complete and attach the Pre-Employment Declaration if not currently employed by the LSA.

Applications must include a CV and cover letter (maximum 2 pages).

Your cover letter should address the key selection criteria outlined in the Job & Person Specification.

Please ensure you also address the following within your cover letter:

- 1) Your understanding of person-centred care
- 2) Your experience of working within a case management environment
- 3) Your experience of working with adults and children with acquired disabilities
- 4) How you effectively balance client facing work with administrative requirements
- 5) The organisational culture or working environment that best suits your personal values and working style.
